# 1. Who Are The Journalists, TV Presenters & Massive Media Companies That Have Such Close Ties To The World Economic Forum ?

The media have been running & controlling the whole covid narrative since February 2020 and the common link seems to be the WEF. Coincidence ?

2. In Jan 2020, 161 editors & 122 journalists descended upon Davos. Nearly every major global media was represented from the BBC, New York Times, Economist, Reuters, Bild, Washington Post, La Stampa, CNN etc

What could be so important ?

3. 3 months earlier back in Oct 2019, Event 201 predicted the Covid-19 outbreak. Controlling the narrative through social media censorship was openly discussed.

The WEF were central to Event 201. To control the message you need to control the media.
