## 1. Who Are Behind TIFCO The Mandatory Hotel Quarantine Group For People Entering Ireland ?

The TIFCO Group providing quarantine rooms owns or manages 24 hotels within Ireland but who is really calling the shots.

🧵 1/21

## 2. There's a very well known Irish song which has the following lyrics

If you're Irish come into the parlor,  
There's a welcome there for you;  
If your name is Timothy or Pat,  
So long as you come from Ireland,  
There's a welcome on the mat, etc

3. Céad Míle Fáilte, the common Irish greeting for travellers arriving literally translates to mean 'a hundred thousand welcomes'.

Not any more I'm afraid.

If you are Irish or not and travelling from abroad you have to spend 12 days in jail if you come from 1 of 33 countries.

4. This, all under the pretence of Covid.

By jail I mean 12 days in a hotel that you have to pay €1875 if you are an adult and €625 if you are a child. So you will be out of pocket nearly €5,000 straight off the bat if you are a family of 4.

5. That's a nice chunk of change if you are the hotel running it. But who is behind the hotel chain who is coining it. They are a company called TIFCO. For the average Irish person they would pay no attention to the name at all.

6. Why would they ? The one thing you can be certain of is that none of the MSM would help you join the dots. I intend to change that.

Welcome to the sordid world of TIFCO. To say TIFCO have had an eventful 72 hours this week would not be doing it justice.

7. Between 2014-2018 TIFCO was backed by Goldman Sachs, one of the largest investment banks in the world. GS is also a WEF member.

Here's the fun part though

8. In 2018 TIFCO was bought by Apollo Global Management for €204m. Apollo Global Management is a global alternative investment manager firm and reported \$414B of assets under management as of the end of June 2020

9. One of AGMs founders is a guy by the name of Leon Black. Leon has been making waves in the last few days as he has had to resign from his position as CEO on March 22nd. He was "financially entangled with notorious sex predator" Jeffrey Epstein.

10. Apparently he paid Epstein \$158 million as Epstein's knowledge of the tax system and skill managing the affairs of the ultra-rich helped the private equity titan save as much as \$2 billion

11. Epstein and Black "often socialized and dined together" as well as visiting Epstein's private island for a "picnic lunch."

Gilly Bates also made an appearance on Epstein's island as well as Black via "The Lolita Express"

12. Black has now resigned and his position has been taken over by co-founder Mark Rowan. What is interesting though is that on March 22nd Rowan appointed an independent board director by the name of Dr. Kerry Murphy Healey.

13. Healey has close connections to Ireland and is a lady of much influence. She has a PhD in political science and Law from Trinity College Dublin and is also a member of the World Economic Forum.

14. She is also a member of the Council on Foreign Relations (CFR). The CFR is an independent, nonpartisan member organization, think tank, and publisher who work closely with the WEF and UN.

15. That's not all though, Healey is also a member of the Trilateral Commission (TC). The TC is a non-governmental, nonpartisan discussion group founded by David Rockefeller in July 1973 to foster closer cooperation between Japan, Western Europe and North America.

16. The TC is one of the driving forces behind Agenda 21/30 which was set up in 1992 in order to implement "sustainable development". "Sustainable Development" is now being driven by the UN. Other notable Irish TC members were Peter Sutherland and President Mary Robinson.

17. As of 2020 Ireland had 3 representatives in the TC

John Bruton, former Taoiseach of Ireland

Richard Conroy, Chairman, Conroy Gold and Natural Resources

Hugh Friel, former Chief Executive Officer of Kerry Group plc

18. Back to the UN briefly. The UN signed a strategic partnership framework with the WEF in 2019 in 6 areas. Financing the 2030 Agenda, climate change, health, digital cooperation, gender equality and empowerment of women, education and skills.

19. Also on the board of AGM is Richard Emerson, a former Senior vice President of Microsoft corporations who has also had senior roles with Blackstone Group and Morgan Stanley. Both investment banks in the WEF.

20. With all roads leading back to the WEF don't be expecting any lifting of restrictions in the mandatory quarantine hotels. In actual fact you can expect the opposite. Expect more countries to be added to the list and 🇮🇪 to be kept in a lockdown loop for as long as possible.

21. I write these 🧵 in my spare time and would really appreciate if you could retweet the very 1st tweet. Likes are great but retweets are required to reach as large an audience as possible to expose what is really going on behind the scenes. Many thanks.
